

# MINOS Status Report

Steve Hahn

- This week
  - Live time: 98.1%
  - POT fraction: 98.9%
- Thursday morning: while Minerva installs water target, we test readout in one crate with new RIO3 processor board via Ethernet—data looks good both online and offline

# MINOS Status Report

Steve Hahn

- This week
  - Live time: 98.7%
  - POT fraction: 99.0%
- No outstanding problems
